OUR PURPOSE

THE DIFFERENCE WE ARE TRYING TO MAKE IN THE WORLD

Our connected lives are disconnecting us from what we feel is important

We believe people crave a closeness to nature, to the food we eat, to the people around us

We offer an unparalleled intimacy and connection to the ocean and the experience it brings

Being brave leaders that continually move the industry into the future

Caring deeply for the people and the fish that make up such a big and important part of our lives everyday.

Standing by and respecting what's right for each other, our fisherman, our fish and our waters.

Being open, up front and honest with each other and with everyone who comes to enjoy the market.
